

Conserve Water KIDS Activity Booklet

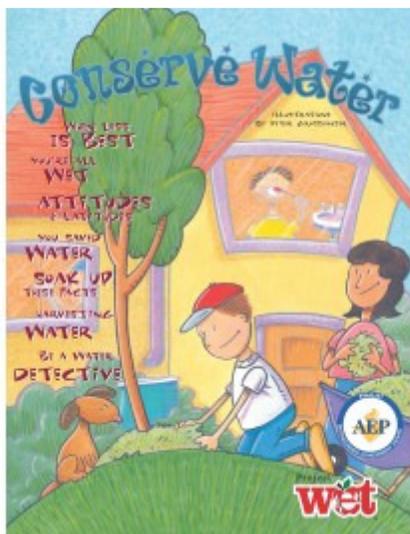

Project WET International Foundation, 2001

Available: <http://store.projectwet.org/childrens-activity-booklets.html>

Description

Great save! When water conservation is the name of the game, everyone wins. Kids learn a lot of important lessons about becoming smarter water-users from this popular activity booklet, as well as enjoy a lot of laughs along the way.

Awards: Finalist, 1999 EdPress Distinguished Achievement Awards (Association of Educational Publishers), Sponsored Publication category
